CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500 words. The college adopts the curriculum given by Panjab University Chandigarh and follows the guidelines of UGC, NCTE, and DPI. Depending upon our resources potentially, we impart quality education. The college has developed a structured and effective implementation of the curriculum. Following are the various means through which we execute the curriculum: a) Academic Calendar: Academic Calendar is prepared at the beginning of the session as per Panjab University Chandigarh schedule and as per the action plan formed. HOD's Meetings are held once a month. The Head of the Department discusses their action plans to arrive at an optimal and effective way. b) Meeting the vision and mission: Each department set its own vision and mission which matches with the vision and mission of the college. Program Educational Objectives (PEO) and Program Outcomes (PO) are developed for each program and Course Objectives (CO) and course outcomes are defined for each course (theory and lab). Furthermore, various committees are formed for effective curriculum delivery.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Our Institution yearly organizes seminars, guest lectures and literary activities that help in gender sensitization. Such Initiatives include seminars on women and child health, personal hygiene, gender justice and gender equality. Gender sensitization programmes are organized in the nearby villages in the form of rallies such as "Beti Bachao Beti Padhao". Students are also offered a wide range of community-related programmes that include health, healthy diet, personal hygiene and village adoption, enabling exposure to real-life situations.

There is a compulsory examination of "Environment and road safety" for Undergraduate classes which includes topics like global warming, environmental policy, environmental protection and road safety. Department of Vocational undergraduate courses have a

separate course entitled 'Environmental Studies'. Our college itself is involved in rainwater harvesting, water recharging well, making the campus green by continuous plantations, Vermi-composite, waste management and using solar energy.

A course on human values "Human rights and duties" is offered as an elective subject to all the students to take up in Bachelors of Arts. In view of social development activities like organizing blood donation camps, health check-up camps, hygiene and health workshops, environment awareness camps, workshops on social issues, public health, gender issues etc. All the activities are monitored by IQAC in the campus. Students are also motivated to enrol as NSS Volunteers.

A compulsory course on Social and business ethics is also offered in B. Com, and in B.Voc. Retail Management.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

After admissions, identification of slow learners and advanced learners is done by respective class teachers. Initially, the identification of students is made on the basis of their marks in the previous examinations. Again after a few weeks of commencement of classes, students are categorized on the basis of class tests and discussions in the class. Some difficult topics are repeated to slow learners again in the class to keep them at pace with advanced learners. Special tests are also conducted for slow learners. Besides, that motivational lectures are organized to boost their ability and these students are encouraged to regularly attend the classes. The morale of slow learners is boosted by counseling sessions, remedial classes, and interactive sessions. Extra learning material such as notes and previous question papers and their keys are also provided.

The advanced learners are also supported in the best possible manner. The teachers take extra pain in helping them with an additional and personal interest. They are provided with additional time, advanced learning materials, and assistance from the teachers. College guidance and counseling cell provide

guidance to slow as well as advanced learners for the top career options. They are also encouraged to acquire new and advanced information through the internet to bring out the best of their potential.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

A course mission is provided by us that fosters a learning environment that nurtures exploration and critical thinking.

Students are encouraged to organize programmes at the department level. This helps them to improve their knowledge, presentation skills, confidence, and personality development. Industrial visits of students of B.Voc courses are organized. Students of M.P.Ed., B.P.Ed, and D.P.Ed go for teaching practice in the schools of the surrounding areas under the supervision of a concerned teacher. As most of the students of our college are from rural background and their medium of communication is the local language. So teachers translate different subjects from English to the local language.

To improve participative learning among the students, quiz contests and group discussions are arranged by the class teachers in the classrooms. For more exposure to participative learning, assignments, elocution, case study, and projects are given to students project meets are organized by students of M.P.Ed, B.P.Ed, and D.P.Ed. These students also organize and officiate the sports competition of the district, state level, and athletic

meets of other institutions.

Also, tutorial and pictorial classes are held in small groups to solve the academic related problems of students. Besides this, teachers occasionally make use of audio-visual aids and material available on the internet for the benefit of students. All students are encouraged to visit library and use reference books, journals, and internet facilities to solve their problems. Long and short excursions are also arranged.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Information and communication technology-enabled teaching methodologies and advanced technologies are being followed by the faculty members in the classroom. The use of multimedia teaching aids like LCD projectors, and classrooms with internet-enabled computer/laptop/ tablet systems are usually in use in the classroom. Electronic resource packages like NPTEL, DELNET, and digital corner in the library are available. The faculty members effectively utilize audio-visual aids to demonstrate the concepts to the students using the resources from National Programme on Technology Enhanced Learning to enhance the learning experience. USB hard disks containing web and video courses (offline) from NPTEL are assessable to faculty and students. Also, a sufficient number of books, journals, e-journals, and e-books are available in the library. All the departments conduct seminars, workshops, and guest lectures on the new developments in the core subject for effective teaching and learning by the faculty members and students in each semester. The seminar hall is equipped with multimedia facilities using ICT tools. Invited talks and seminars are conducted in the seminar hall using ICT facilities. Teachers employ multimedia classes for teaching concepts that involve complex visualization. Seminar presentations of the PG students take place in the laboratory using a computer and LCD projector.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

To ensure transparency in the internal assessment during the last four years, College keeps records of project, assignments. Mid semester tests are also given weightage for assessment of students for internal assessment purpose. Basis for distribution of marks is made known to the students, which is exactly according to the Punjab university norms and proper weightage is given to house tests (MSTs), assignments and attendance of students in the classes for fair evaluation in the internal assessment. Information about various rules is provided to the students on the notice board from time to time. Weightage for behavioral aspects, independent learning, communications skills etc. are also taken care of. For instance, the regular, disciplined and intelligent students are given weightage in internal assessment. Staff meetings are conducted by the Principal from time to time to review evaluation process and provide guidelines to the teachers. Mid semester tests evaluation is displayed on the notice board.

Before finalization of assessment Principal verifies the internal assessment of all the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

GNC NARANGWAL has evolved a complete time bound and efficient mechanism for redressal of grievances related to internal and external evaluation .After the mid semester tests which are meant for the evaluation of students in the mid of semester and becomes the base for assessment of students, Students are shown the test papers ,So that they could evaluate themselves ,where they stand. If any discrepancy is found in the evaluation, they are free to interact with the concerned teacher and get the discrepancy resolved. If still problem persists they can get the issue resolved through the interference of head of department. Students have the right to apply for verification with photocopy of answer books.

The candidate who appear in university examination can apply to university for reevaluation of answer books with in 15 days from the date of declaration of results of concerned examination. From time to time college exam coordinator makes efforts to report the university examination branch about the grievances regarding question papers of any subject. Representations to concerned authorities are made to compensate the students adequately if the paper include questions which are out of syllabus, if there are typing errors in the paper or such other issues which should be brought to the notice of concerned university authority to suitably compensate the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

To achieve PO, CO and PSO, at the beginning of every semester, every subject teacher conveys course objectives at the introductory lecture of respective subject/course. The copies of the syllabi are kept in the library for the students besides that students are introduced with syllabi in the initial lectures. The faculty of every subject explains course objectives, evaluation pattern, marking scheme etc to the students. Student attainment of CO, PO and PSO are assessed by customized evaluation pattern. The rules and regulations of the university authorities are followed for the evaluation of the students in different subjects. The academic calendar is released by Syndicate of P.U. Chandigarh and is to be followed in totality by the college. The internal assessment of students prepared on the basis of performance in above tests, assignments, group discussions and participation in quiz competitions, seminars, project meets, teaching practice, NSS- activities, youth festival and sports competitions.

Also for the external assessment, in the end of semester theory and practical examinations are conducted by the concerned university and evaluation is carried out. The exam results including internal and external assessment are declared and score cards are issued by the affiliated university. For the student's convenience in the final exam, the pattern of question paper, introduction of OMR sheet and evaluation blueprint as provided by the university is discussed in the classes before semester exams

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

This institution has a well-stated motto, vision, mission, and objective. The prime objective of the institution is to develop the students physically, socially as well as spiritually.

Motto: O Lord, grant me the boon

May, I never refrain from righteous acts.

Vision: To provide a scholarly and vibrant learning environment for youth, especially in rural areas. This would empower them to compete successfully in this global world.

1. Meeting students' needs by creating an educational environment.
2. Maintaining standards integrity and performance leading to the attaining of academic and career goals.
3. Developing enthusiastic independent themes for learners to prepare them for lifelong success.
4. Nurturing the ethics at all the levels.

Mission: Mission of the institution is holistic development of the students and to empower them to meet the requirements of advanced environment of 21st century. The college works hard to achieve the mission by indulging the students in academic and community activities through NSS, Guru Gobind Singh study circle and youth

welfare department. Along with that, students are encouraged to develop, ethics and leadership qualities which make them responsible and secular human beings. Scientific zeal is also inculcated to reform them as skilled citizens which is required to meet contemporary challenges of the world.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. Creating sensitivity towards the environment has always been our aim. We have always tried to contribute positively to the environment by working consciously to follow eco-friendly practices and creating awareness amongst students to value and nurture their surroundings by protecting natural resources available to them. Changing environmental scenarios on the global level needs a huge amount of contribution from the individual and social levels. We understand our responsibility and thus organize regular awareness programs and tree plantation drives to enhance the green cover in nearby areas. To make the campus eco-friendly, the college maintains three ornamental gardens with substantial open areas and green cover. Rainwater usage is encouraged to water plants. We also boast of the vermicomposting facility to manage bio-degradable waste.

2. Another one of our best practice is the conservation of energy by maximizing the use of natural light. To save energy, the buildings on the campus are designed in such a way that each and every room has an ample amount of sunlight. Students, as well as faculty members, are encouraged to switch off lights, fans, and all other electronic gadgets when not in use. The vehicles entering the vicinity are checked for emission certificates and provided with adequate parking facilities. Tobacco and cigarettes are strictly banned within 100 meters.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

We, at Govind National College Narangwal, have always strived to live up to the expectations and standards set for us by the founder of the Institution. Being a primary rural educational institute, we have always considered it a top priority to provide quality education to students in rural areas. The institution has always tried to cater to the needs of students who reach out to us from varied backgrounds. We understand the immense responsibility that rests on our shoulders of reaching out to underprivileged sections of surrounding areas so that they have access to good education. Our vision is to empower the rural youth, help them achieve excellence in various fields, and prepare them to face global challenges. Academic excellence has always been our vision along with the overall personality development of students so that we churn out global citizens with high adaptive skills in an ever-changing and challenging global environment. Another distinct feature of our institution has been the promotion of sports. We are proud of providing a conducive environment to the overall development of budding sports persons. We polish their talents with the right coaching and provide the platform they need to launch their careers in their respective fields. The Institution has contributed to the treasure trove of renowned sports personalities at the national as well as international level. We are proud of our achievements in the field of sports and would continue to work towards excellence in this field as well.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500 words. The college adopts the curriculum given by Panjab University Chandigarh and follows the guidelines of UGC, NCTE, and DPI. Depending upon our resources potentially, we impart quality education. The college has developed a structured and effective implementation of the curriculum. Following are the various means through which we execute the curriculum: a) Academic Calendar: Academic Calendar is prepared at the beginning of the session as per Panjab University Chandigarh schedule and as per the action plan formed. HOD's Meetings are held once a month. The Head of the Department discusses their action plans to arrive at an optimal and effective way. b) Meeting the vision and mission: Each department set its own vision and mission which matches with the vision and mission of the college. Program Educational Objectives (PEO) and Program Outcomes (PO) are developed for each program and Course Objectives (CO) and course outcomes are defined for each course (theory and lab). Furthermore, various committees are formed for effective curriculum delivery.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our Institution yearly organizes seminars, guest lectures and literary activities that help in gender sensitization. Such Initiatives include seminars on women and child health, personal hygiene, gender justice and gender equality. Gender sensitization programmes are organized in the nearby villages in the form of rallies such as "Beti Bachao Beti Padhao".

Students are also offered a wide range of community-related programmes that include health, healthy diet, personal hygiene and village adoption, enabling exposure to real-life situations.

There is a compulsory examination of "Environment and road safety" for Undergraduate classes which includes topics like global warming, environmental policy, environmental protection and road safety. Department of Vocational undergraduate courses have a separate course entitled 'Environmental Studies'. Our college itself is involved in rainwater harvesting, water recharging well, making the campus green by continuous plantations, Vermi-composite, waste management and using solar energy.

A course on human values "Human rights and duties" is offered as an elective subject to all the students to take up in Bachelors of Arts. In view of social development activities like organizing blood donation camps, health check-up camps, hygiene and health workshops, environment awareness camps, workshops on social issues, public health, gender issues etc. All the activities are monitored by IQAC in the campus. Students are also motivated to enrol as NSS Volunteers.

A compulsory course on Social and business ethics is also offered in B. Com, and in B.Voc. Retail Management.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

After admissions, identification of slow learners and advanced learners is done by respective class teachers. Initially, the identification of students is made on the basis of their marks in the previous examinations. Again after a few weeks of

commencement of classes, students are categorized on the basis of class tests and discussions in the class. Some difficult topics are repeated to slow learners again in the class to keep them at pace with advanced learners. Special tests are also conducted for slow learners. Besides, that motivational lectures are organized to boost their ability and these students are encouraged to regularly attend the classes. The morale of slow learners is boosted by counseling sessions, remedial classes, and interactive sessions. Extra learning material such as notes and previous question papers and their keys are also provided.

The advanced learners are also supported in the best possible manner. The teachers take extra pain in helping them with an additional and personal interest. They are provided with additional time, advanced learning materials, and assistance from the teachers. College guidance and counseling cell provide guidance to slow as well as advanced learners for the top career options. They are also encouraged to acquire new and advanced information through the internet to bring out the best of their potential.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

A course mission is provided by us that fosters a learning environment that nurtures exploration and critical thinking.

Students are encouraged to organize programmes at the department level. This helps them to improve their knowledge, presentation skills, confidence, and personality development. Industrial visits of students of B.Voc courses are organized. Students of M.P.Ed., B.P.Ed, and D.P.Ed go for teaching practice in the schools of the surrounding areas under the supervision of a concerned teacher. As most of the students of our college are from rural background and their medium of communication is the local language. So teachers translate different subjects from English to the local language.

To improve participative learning among the students, quiz contests and group discussions are arranged by the class teachers in the classrooms. For more exposure to participative learning, assignments, elocution, case study, and projects are given to students project meets are organized by students of M.P.Ed, B.P.Ed, and D.P.Ed. These students also organize and officiate the sports competition of the district, state level, and athletic meets of other institutions.

Also, tutorial and pictorial classes are held in small groups to solve the academic related problems of students. Besides this, teachers occasionally make use of audio-visual aids and material available on the internet for the benefit of students. All students are encouraged to visit library and use reference books, journals, and internet facilities to solve their problems. Long and short excursions are also arranged.

Information and communication technology-enabled teaching methodologies and advanced technologies are being followed by the faculty members in the classroom. The use of multimedia teaching aids like LCD projectors, and classrooms with internet-enabled computer/laptop/ tablet systems are usually in use in the classroom. Electronic resource packages like NPTEL, DELNET, and digital corner in the library are available. The faculty members effectively utilize audio-visual aids to demonstrate

the concepts to the students using the resources from National Programme on Technology Enhanced Learning to enhance the learning experience. USB hard disks containing web and video courses (offline) from NPTEL are assessable to faculty and students. Also, a sufficient number of books, journals, e-journals, and e-books are available in the library. All the departments conduct seminars, workshops, and guest lectures on the new developments in the core subject for effective teaching and learning by the faculty members and students in each semester. The seminar hall is equipped with multimedia facilities using ICT tools. Invited talks and seminars are conducted in the seminar hall using ICT facilities. Teachers employ multimedia classes for teaching concepts that involve complex visualization. Seminar presentations of the PG students take place in the laboratory using a computer and LCD projector.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

To ensure transparency in the internal assessment during the last four years, College keeps records of project, assignments. Mid semester tests are also given weightage for assessment of students for internal assessment purpose. Basis for distribution of marks is made known to the students, which is exactly according to the Punjab university norms and proper weightage is given to house tests (MSTs), assignments and attendance of students in the classes for fair evaluation in the internal assessment. Information about various rules is provided to the students on the notice board from time to time. Weightage for behavioral aspects, independent learning, communications skills etc. are also taken care of. For instance, the regular, disciplined and intelligent students are given weightage in internal assessment. Staff meetings are conducted by the Principal from time to time to review evaluation process and provide guidelines to the teachers. Mid semester tests evaluation is displayed on the notice board. Before finalization of assessment Principal verifies the internal assessment of all the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

GNC NARANGWAL has evolved a complete time bound and efficient mechanism for redressal of grievances related to internal and external evaluation .After the mid semester tests which are meant for the evaluation of students in the mid of semester and becomes the base for assessment of students, Students are shown the test papers ,So that they could evaluate themselves ,where they stand. If any discrepancy is found in the evaluation, they are free to interact with the concerned teacher and get the discrepancy resolved. If still problem persists they can get the issue resolved through the interference of head of department. Students have the right to apply for verification with photocopy of answer books.

The candidate who appear in university examination can apply to university for reevaluation of answer books with in 15 days from the date of declaration of results of concerned examination. From time to time college exam coordinator makes

efforts to report the university examination branch about the grievances regarding question papers of any subject. Representations to concerned authorities are made to compensate the students adequately if the paper include questions which are out of syllabus, if there are typing errors in the paper or such other issues which should be brought to the notice of concerned university authority to suitably compensate the students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1. **Creating sensitivity towards the environment** has always been our aim. We have always tried to contribute positively to the environment by working consciously to follow eco-friendly practices and creating awareness amongst students to value and nurture their surroundings by protecting natural resources available to them. Changing environmental scenarios on the global level needs a huge amount of contribution from the

individual and social levels. We understand our responsibility and thus organize regular awareness programs and tree plantation drives to enhance the green cover in nearby areas. To make the campus eco-friendly, the college maintains three ornamental gardens with substantial open areas and green cover. Rainwater usage is encouraged to water plants. We also boast of the vermicomposting facility to manage bio-degradable waste.

2. Another one of our best practice is the conservation of energy by maximizing the use of natural light. To save energy, the buildings on the campus are designed in such a way that each and every room has an ample amount of sunlight. Students, as well as faculty members, are encouraged to switch off lights, fans, and all other electronic gadgets when not in use. The vehicles entering the vicinity are checked for emission certificates and provided with adequate parking facilities. Tobacco and cigarettes are strictly banned within 100 meters.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

We, at Govind National College Narangwal, have always strived to live up to the expectations and standards set for us by the founder of the Institution. Being a primary rural educational institute, we have always considered it a top priority to provide quality education to students in rural areas. The institution has always tried to cater to the needs of students who reach out to us from varied backgrounds. We understand the immense responsibility that rests on our shoulders of reaching out to underprivileged sections of surrounding areas so that they have access to good education. Our vision is to empower the rural youth, help them achieve excellence in various fields, and prepare them to face global challenges. Academic excellence has always been our vision along with the overall personality development of students so that we churn out global citizens with high adaptive skills in an ever-changing and challenging global environment. Another distinct feature of our

institution has been the promotion of sports. We are proud of providing a conducive environment to the overall development of budding sports persons. We polish their talents with the right coaching and provide the platform they need to launch their careers in their respective fields. The Institution has contributed to the treasure trove of renowned sports personalities at the national as well as international level. We are proud of our achievements in the field of sports and would continue to work towards excellence in this field as well.
